Velvet finish

What it is:

Velvet Finish creates a perfect canvas for foundation and makeup application.

What it is formulated to do:

Our enriched blend of vitamins and antioxidants creates the appearance of flawless skin. This unique formula contains ALOE VERA that soothes, protects, heals, softens and hydrates the skin and VITAMIN C and VITAMIN E, powerful antioxidants that helps increase production of collagen and decreases the look of fine lines and pigmentation that are the result of aging.

What else you need to know:

Use Velvet Finish after a moisturizer and before foundation for complexion perfection. This skin-soothing blend of anti-oxidants, which can be worn alone or under foundation, works overtime to fill in fine lines and even our skin texture. This oil absorbing formula also provides a matte look to the skin giving it the Velvet Finish.
