"Evil J" Villain

STEP 1 - HAIR & FACE PREP.

- Cleanse and moisturize skin
- Flip hair, blow dry and add hair gel to create voluminous hair

STEP 2 - HAIR

- Place small amounts of Liquid Makeup Green on palm of your hands and work through hair evenly until hair is green.
- For Wigs, apply Liquid Makeup Green Directly on wig and apply evenly

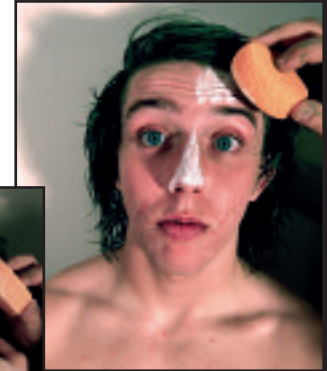

STEP 3 - SCAR SMILE

- Puff cheeks with air and place Rigid Collodion on both sides of the lips creating an upward smile.
- Be cautious not to insert product inside of mouth
- Dry Rigid Collodion with blow dryer on cool temperature.

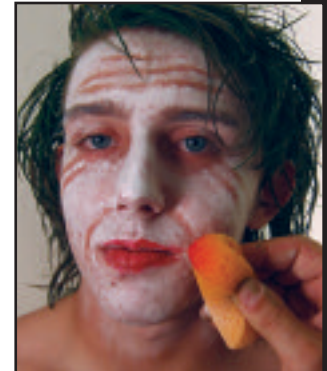

STEP 4 - FACE

- Create wrinkles on face by pushing cheeks and forehead together and tapping Paradise White with Sponge onto skin.
- Apply white color all over face.

STEP 5 - LIPS

- With Sponge place L.I.P Color Cream Velvet Rose all over mouth and Rigid Collodion Scar.

STEP 6 - EYES

- Use Color Cup Black to color eye area.
- Use Pro-Pencil Black to add in details around the eye and lips.
- Add a costume and HAVE FUN!!
