Easy
Step-by-Step
Instructions

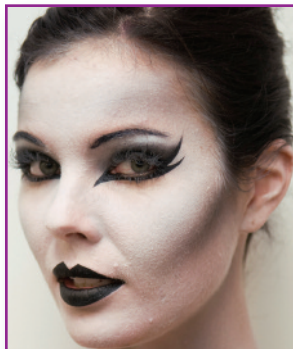

Step 1 – Start with dry clean skin. (Do not use any creams or moisturizer first)

Step 2 – Apply Mehron's *StarBlend White* dry with a sponge applicator evenly over the face and neck.

Step 3 – Use the *Black eyeliner pencil* to outline the upper and lower lashes. You can make the line thicker and longer to get more extreme eyes. Use the brush to apply Mehron's *E.Y.E Powder Black Onyx* on the eye lid to get the dark mystical eyes.

Step 4 – Use a sponge applicator with the *E.Y.E Powder Black Onyx* and apply just below the cheekbone and blend down. This will give a dramatic hollow cheek appearance. Apply the *Black Lip Stick* and *Nail Polish*. Then apply the *Temporary black hair gel* to dry hair.

Step 5 – Use the spring loaded *piercing ring* on the nose, eyebrow, or lip as desired. The *Tongue Stud* is applied with suction.

Step 6 – Accessories with black wardrobe and you are ready to party.
